BTCNE Happenings

Dear BTCNE Members,

Our Bully-tin is in the process of being reorganized.

To keep our members up to date we're sending out this short newsletter.

Rest assured we are working very hard to get the Bully-tin up and running again.

FROM THE SECRETARY:

Due to the increased costs of postage and printing, all club correspondence will be sent by e-mail in either Word or PDF format. Only members without email addresses will continue to receive correspondence by USPS.

Spring Match 2009

This year the BTCNE received permission from the AKC to hold its first Sanctioned 'A' match. Although the entry was small, both spectators and entrants had a great time.

AKC Affiliation update

At our Spring Membership meeting, the membership voted to accept the new constitution which was recommended by the AKC.

The new constitution was submitted to the AKC for approval.

Additionally our A match was 'qualified', so that the club has applied for full licensure to hold independent specialties.

AKC FAQ's-

- What about the 'pet' people is the club now

only for people who show dogs?

Answer: NO!!!!

The "pet" people have been and will always be an integral part of our club. The BTCNE constitution states that the club's **"purpose shall be the development and promotion of interests in Bull Terriers through encouragement of training, fostering of shows, exhibits and matches....and are for the best interest of members, owners and breeders of Bull Terriers"** This statement

has changed very little since the club's inception in 1931.

- The AKC changed our territory-I don't live in the territory, can I still be a member?

The territory changes only impact where our shows and events may be held. Membership is not limited to a geographic area.

If you have any questions or concerns, please feel free to contact any club officer or board member.
