

Happy New Year!

I hope you all had the chance to relax and enjoy family, friends and most importantly your Bullies during the holidays. I know my dogs are especially happy that the weather has been so warm as they've gotten lots of outdoor time.

I wanted to take this opportunity to encourage everyone to let us know what we can do to help improve the Club. After all it is YOUR Club! We all feel the strain of the tough economic times we're in, but our membership has been diminishing and there are serious concerns about what will happen to our Club going forward. Please send in your membership form and renew, take a few minutes and fill out the surveys that were sent out so we have some ideas of how to better the Club for you, and as always feel free to contact any of us with thoughts, concerns or ideas. We encourage all your feedback!

B.T.C.N.E. has an exciting year planned. Our Spring Fling and B Match will be on April 1st. Check our website for location and schedule of events. Our three day Ladies & Framingham specialty show will once again be at the Wrentham fairgrounds June 1st-3rd with Judges John & Mandy Young from England, and new Judge Skip Greaney. Bring a folding chair, some sunscreen and plan to indulge in food, fun and frolic! Our Fall Fun Day will once again be at the Hopkinton State Park on September 23rd. Last year we had beautiful weather and the whole park to ourselves! So mark your calendars and pack up your Bullies and your kids because everyone is welcome.

Look forward to seeing you all!
